

1. In a few sentences, describe Mondrian's artistic style to someone who has never seen his paintings:

---

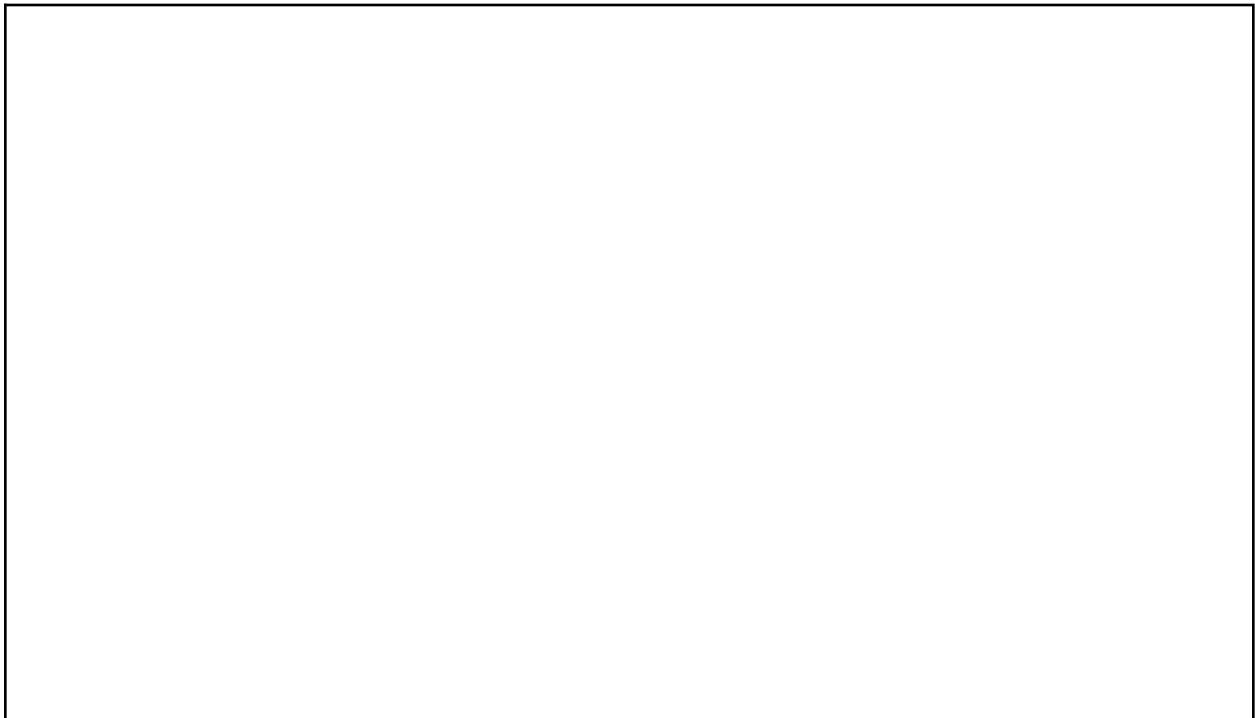

---

---

---

---

2. Thinking about the paintings we saw today in class, design your own Mondrian-inspired painting below. We will construct a version in class tomorrow using p5.js.

3. Which part of your design do you predict will be most challenging to code? Why?

---

---

---
